

TABERNACLE DNA
WEEK 2: KNOWING CHRIST

In order for a church to meaningfully exist, it must be centered on knowing Christ theologically and experientially.

WE MUST KNOW CHRIST AS OUR SAVIOR *(2 Cor. 5)*

We were in grave danger of judgment because of our sin.
We have been greatly delivered because of our loving Savior.

WE MUST KNOW CHRIST AS OUR EXAMPLE *(1 Pet. 2)*

He endured incredible hardships for our sake.
He did not allow others' sins to stop His God-given mission.
He gave everything He possessed to bring us to God.

WE MUST KNOW CHRIST AS OUR LORD *(1 John 2)*

Christ is our Lord if we obey Him.
Christ is our Lord if we realize who He truly is.
Christ is our Lord if we anticipate His return.
